

VERITAS

National Claims Management

TRANSPORTATION LOGISTICS

At Veritas, our teams of heavy equipment and cargo experts bring time and cost savings with a tailored and customized approach. Your specialized needs will be met with a solutions based strategy designed to deliver the results your organization deserves.

We provide an array of interconnected logistics products: Cargo Handling, Salvage Management, Title Services & Document Procurement. Veritas is your nationwide expert to solve all your transportation logistics needs.

CARGO HANDLING

- Obtain all necessary documentation, such as bill of lading
- Complete inspection with photos of all cargo; perishable and dry goods
- Prepare detailed reporting of damaged and salvageable inventory
- Provide valuation estimate of salvageable cargo

SALVAGE MANAGEMENT

- Review salvage title regulations
- Obtain qualified bids
- Evaluate relocation options
- Collect salvage proceeds
- Submit full salvage documentation reports

TITLE SERVICES

- Locate title and review state title regulations
- Communicate and negotiate with lien holder
- Secure letter of guarantee for title and release of lien
- Process vehicle titles and associated documents
- Prepare required notifications for owner-retained salvage

DOCUMENTATION PROCUREMENT

- Guarantee pertinent documentation is signed and notarized
- Provide insured licensed notary with delivery of funds
- Secure title and claims documents in exchange for settlement
