

# TOTAL LOSS VALUATIONS

DCI Solution is an industry leader in specialty vehicle total loss valuations. Our team of valuation specialists takes on each file with a unique, hands-on approach that you won't find anywhere else.

## WHAT YOU GET

### VALU-VERIFICATION

The start of our hands-on valuations approach. We start by verifying any and all options, equipment, upgrades, and refurbishments on the loss vehicle.

### TOTAL LOSS PLUS

Tax and fee calculations are becoming necessary for total loss valuations. We've partnered with a premier provider to provide this service.

### VALU-RITE<sup>®</sup> REPORT

Our report is easy to read and explain. You see a specific dollar amount for every adjustment we make. Personal comments on the value help you know why the adjustment was made

## ABOUT COMPANY

DCI Solution is a team of industry veterans that understand what's missing in the valuation industry; a personalized, hands-on approach. We place our clients in the center of our model, insuring that you settle your claims for the right amount, settle them faster, and have complete customer service along the way.

## WHY CHOSE US ?

**Accuracy.** All valuations are performed by DCI Solution Certified Valuers and follow USPAP Guidelines

**Simplicity.** Our system is super easy to use and our reports are easy to understand. All that with zero requirements from you.

**Totality.** We stand behind each and every valuation we send out, from submission to settlement, we are totally there for you.
