

Protect Your Business with Veritas

At Veritas Administrators, LLC, we don't just handle claims—we navigate the entire ecosystem with precision. Our team has deep relationships with the key players in the industry, from insurance carriers and TPAs to tow yards, repair facilities, adjusters, appraisers, salvage vendors, and licensing authorities.

Unlike generalists, our experts are highly specialized professionals with decades of experience in heavy equipment, trucking, cargo, subrogation, and liability claims. We leverage advanced technology and industry-leading data and reporting to provide customized, insight-driven solutions that reduce costs, maximize recoveries, and improve claims outcomes.

Heavy Equipment & Commercial Trucking Expertise

- No one in the U.S. matches our depth of knowledge in heavy equipment and commercial trucking claims.
- Our experts specialize in tractor-trailers, construction machinery, farm equipment, rail, and boats—ensuring accurate, detailed evaluations.
- We know the key vendors, tow yards, and repair facilities, giving us an edge in resolving claims efficiently.
- Every claim is handled by an industry specialist, not a generalist.

Nationwide Coverage with Customized Solutions

- We partner with the largest TPAs, carriers, captives, and insurance programs, down to smaller associations.
- Our processes are fully customizable to your needs, integrating seamlessly into your platform or ours.
- Industry-leading data and reporting provide in-depth, accurate insights, analytics, and tracking to improve claim outcomes.

Complete Claim Handling for Heavy Equipment

- We manage claims from appraisal through recovery, providing an end-to-end solution.
- Our specialized teams collaborate across silos to ensure seamless resolution and faster settlements.
- Industry-low supplement ratio and low cycle times drive efficiency and cost savings for our clients.
- Advanced technology and reporting tools allow for tailored claim tracking and automated workflows.

Give Us a Try - See the Results for Yourself

We don't just talk about expertise—we prove it. Veritas is trusted by the largest TPAs, carriers, and captives because we consistently deliver results: faster claims resolution, increased recoveries, and reduced costs.

Our industry-low supplement ratio and low cycle times ensure that your claims are handled quickly, accurately, and efficiently—minimizing delays and maximizing financial outcomes. At Veritas, communication is key. We adapt to your preferences, providing clear, proactive updates and ensuring you always know where your claims stand. Our team is committed to working the way you work—seamlessly integrating into your processes and keeping claims moving forward without unnecessary friction.

We're confident in our ability to improve your claims outcomes, and we welcome the opportunity to show you what we can do. Put us to the test with a claim and let the results speak for themselves.

OUR SERVICES

HEAVY EQUIPMENT & TRUCKING APPRAISALS

Fast, precise estimates for total loss, repairs, and diminished value.

TOWING & STORAGE RESOLUTION

Expert negotiation to reduce excessive invoices and prevent unnecessary storage costs.

SUBROGATION & RECOVERY

Aggressive recovery strategies for trucking, towing, multi-party liability, and EV-related claims.

CARGO CLAIMS & SALVAGE

Exposure mitigation, transload coordination, and expert salvage handling.

LIABILITY CLAIMS

Comprehensive assessment of bodily injury, property damage, and liability exposures.

WORKERS' COMPENSATION

Cost mitigation through medical bill reviews, compensability assessments, and return-to-work strategies.
