

# Expansive Review of Your Towing & Storage Claims

## Let us navigate the process for you!

Our experienced trucking and towing experts audit your towing and storage invoice, check local regulations, and coordinate logistics to save you money - *all while communicating with you continuously.*

## Tow Claim Services

- ✓ Reduce costly towing and storage invoices
- ✓ Provide a detail breakout of charges
- ✓ Assist with salvage, appraisal, and cargo as needed
- ✓ Negotiate long term storage in a secure facility when legal holds exist
- ✓ Provide settlement details outlining terms and charges with a focus on exposure in the claim
- ✓ Identify Coverage Availability for Tractor, Trailer, Cargo, Hazmat, and Liability

## How We'll Handle Your Claim

### Charges & Documentation

Every claim will receive a breakout and all necessary documents will be gathered.

### Carrier Communication

Communicate with other involved carriers to establish agreements and commitments.

### Constant Facilitation

Facilitate re-tows, disposal, and transloads if and when needed.

### Manage Resolution

Issue payments, set tow yard expectations, and follow up with all parties to confirm expectations.
